DATE MAILED: 03/30/2006

Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

The reply filed on 1/23/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The reply does not respond to the objections to claim 5 as noted on page 3 of the office action mailed 8/23/05. The reply does not respond to the objection to lines 5-7 of claim 11 or to the objection to line 7 of claim 11 as noted on page 4 of the office action mailed 8/23/05. The reply does not present arguments pointing out the specific distinctions believed to render newly presented claims 13-19 patentable over any applied references. A general allegation that the claims define a patentable invention without specifically pointing out how the language of the claims patentably distinguishes them from the references does not comply with the requirements of this section. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James M. Hewitt whose telephone number is 571-272-7084.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel Stodola can be reached on 571-272-7087. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
